**REGULAR MEETING**

Leslie Schack, who transcribed the minutes listed below, introduced herself to the Board. Mr. Janone was concerned about the accuracy of the minutes due to the year lapse between the meeting and the transcription. Ms. Schack responded that the meetings were typed from the tape and the date of the meeting had no affect on the transcription. Ms. Williams asked if the transcription was verbatim and then gone back over to change. Ms. Schack tried to answer her question by responding that the minutes were summarized when there was general, sometimes unclear discussion by unidentified speakers, but details are transcribed when specific information is given and/or the speaker identifies themselves. Mr. Cegelka addressed typos in the spelling of names and Ms. Schack asked that any time an applicant, attorney or other party addresses the Board, a written record of their name and company, preferably in the form of a business card, be kept with the tape of the meeting to facilitate accurately recording names of individuals, companies and law firms.

**APPROVAL OF MINUTES**

Mr. Janone proposed having vouchers for the professional pre-approved and ready to execute at the meeting(s) so that payment for services is not delayed. Mr. Janone and Ms. Palumbo opened discussion regarding possible Zoning changes and having the Administrative Committee review. Ms. Williams and Mr. Holeman discussed the existence of the Administrative Committee.

Discussions continued regarding properties abutting Franklin Ave. Ms. Palumbo explained the zoning which creates "two front yards." When property touches a street it is a front yard, even though the homeowner may consider it their backyard, and even when there is no access to the home from the street. Because of this zoning, homeowners cannot have accessory structures in what they consider to be their back yards.

Analysis and recommendations to address this issue will be requested from Mr. Zimmerman. Mr. Janone also suggested obtaining ideas to increase ratable.

Motion made to ask Mr. Zimmerman to come to a meeting to discuss these topics made by Ms Williams and second by Mr. Diehl.
